

School Fundraising Campaign  
Zach Kamran, Min Su Kim, Varshant Dhar

Description: All data is tracked by DonorsChoose.org, an online charity that makes it easy to help students in need through school donations. The dataset visualized contains over 60,000 entries. This visualization helps illustrate the relationship between some of the variables and campaign success. (top-left) Diagram showing the flows of funding campaign outcomes mapped to the metropolitan area in which the schools are situated. (bottom-left) Diagram showing the flows of funding campaign outcomes mapped to the poverty level of the school. (right) Diagram showing the flows of subject area emphasis in schools mapped to the different poverty levels of the school.
